ANSELL GRIMM & AARON ATTORNEY MICHAEL ANSELL DISCUSSES SMALL BUSINESS LEGAL CHALLENGES THURSDAY, SEPTEMBER 27TH AT &CO, A CO-WORKING SPACE IN JERSEY CITY

JERSEY CITY, NJ – Running a small business requires more than a good idea and a workspace. There are legal and financial structures to have in place, and the minute you take on employees or contractors, there are new liabilities to plan for. Those are the topics Ansell Grimm & Aaron Attorney Michael Ansell will be discussing with members of &co, a Jersey City, NJ co-working space at a noontime lunch and learn, Thursday, September 27, 2018, at 201 Montgomery Street, 2nd Floor, Jersey City, NJ.

“Small businesses and start-ups have very specific business and legal needs and also very tight budgets,” says Attorney Michael Ansell. “They may need support as basic as setting up their company to managing employees, reviewing contracts, or even signing a lease. What’s key is to know what can be managed internally and when to call for help. Google is not a practicing attorney.”
